Notes from The Board

Being prepared in the event of a disaster, or emergency, is important to safety and survival. Since 2006 the Vallejo Fire Department has provided The Citizen Emergency Response Team (CERT) training, using a national curriculum provided by FEMA. Over 175 Citizen Volunteers have been CERT trained in Vallejo.

The guest speaker for the VHNA General Meeting on Saturday, June 24, 2017 will be Tim Mautz, VHNA member, and a District Coordinator for the Vallejo CERT program. He will provide information on basic skills needed to respond to an emergency, supplies to keep on hand, and how to prepare an emergency check list.

During an unexpected emergency or disaster, first responders may be overwhelmed and slow to respond. The information provided by Mr. Mautz will help you start preparing now to be ready to cope when the next emergency occurs.

Bring a neighbor with you and attend the **VHNA General Meeting on Saturday, June 24, 2017 at the Mira Community Cultural Center, 51 Daniels Avenue in Vallejo, from 10:00 am to Noon.** Refreshments and Moschetti Coffee will be provided by the VHNA and its members.

IN CASE OF AN EMERGENCY.....

We have been urged to call 911 in case of an emergency, but what if we can't get through to 911 when a disaster or emergency happens because the lines are blocked and overloaded with calls? The time to think about, and plan for, our personal emergency preparedness is before an event happens. It is important to have a first-aid kit stocked and organized, readily accessible when needed.

First aid kits should contain: bandaids, gauze, antiseptic handwipes, cotton balls and pads, latex gloves, nose mask, sterile dressing to apply to wounds, thermometer, scissors, tweezers, flashlight and batteries. Medicine should be kept in a separate container, and in zip lock bags. Aspirin, antihistamines, ointments and other medications should be checked semi-annually to ensure they are up to date.

Tim Mautz, District Coordinator for the Vallejo CERT training program, will provide additional information on how to prepare your first aid kit during his presentation at the VHNA meeting on June 24, 2017 at the Mira Community Cultural Center in Vallejo, from 10 am to Noon. Mr. Mautz will also provide information on how to prepare a survival plan of action for you and your family, that all should be familiar with.

The Vallejo Heights Neighborhood Association (VHNA) is pleased to feature these two VHNA Business Associate members in the June newsletter.
