## *Notes from The Board*

On August 22, 2015 the Vallejo Heights Neighborhood Association (VHNA) will hold its annual picnic at Terrace Park in Vallejo Heights. The picnic is an opportunity for the VHNA to acknowledge an individual, or individuals, whose efforts have made a difference in Vallejo, or Vallejo Heights.

This year the VHNA is pleased to acknowledge VHNA members Tom and Sandra Lee and O'Connor Lumber Company for their contributions for the new fence around the VHNA drought tolerant garden at Sheveland Park in Vallejo Heights.

The picnic will be held at Terrace Park (across from Federal Terrace School on Daniels Avenue) on August 22, 2015 from Noon to 3 pm. See page 2 for more information. Please mark your calendar to join the VHNA members for a relaxing, fun picnic and the opportunity to meet your Vallejo Heights' neighbors.

**THE VHNA GARDEN IN SHEVELAND PARK**

In 2012, in agreement with the GVRD, the VHNA “adopted” Sheveland Park in Vallejo Heights and planted a drought-tolerant garden next to the parking pad. The short picket fence that was put in place three years ago needed to be replaced. VHNA members voted to provide funding for fence materials, in addition to contributions made by O’Connor Lumber Company and Tom and Sandra Lee. Bob Weir volunteered his carpentry skills and built the fence, while Tom Lee applied clear Preserva Wood to the fence. The new fence adds to the beauty of the plants in the garden!
